

Part 1

Take screen-shots of:

- o Creating users
- § Validating password
- § Validating user name
- § Validating e-mail

The screenshot shows a web browser window with the address bar displaying 'localhost:54928/Admin/Create'. The page title is 'Create User'. Below the title, there are three red error messages:

- The Name field is required.
- The Email field is required.
- The Password field is required.

Below the errors, there are three input fields labeled 'Name', 'Email', and 'Password'. Each field is empty. At the bottom of the form, there are two buttons: 'Create' (in blue) and 'Cancel' (in white).

- o Editing users
